

Membership Program

SailTime fractional membership

gives you guaranteed time on a new model yacht all season long.

Fractional membership makes boating affordable and easy. With SailTime you share access to a new model yacht with other SailTime Members. Each member gets guaranteed usage every month and SailTime covers the cost of insurance, marina fees, cleaning, maintenance, and repairs. The monthly cost is typically less than a day charter rate for a similar-sized boat. With SailTime's professional yacht management and interactive online scheduling system, your boat is ready when you are, so you can enjoy the luxuries of sailing, without the commitment of boat ownership.

Imagine all the great memories to come with friends and family out on the water. Join SailTime and experience the thrill of riding a brisk breeze as your boat cuts through the waves, heading for a secluded bay at sunset, to enjoy a quiet dinner under a pink-streaked sky.

How It Works*

When you join SailTime you are buying a membership on a specific model boat, docked at a regional base that is convenient for you. You can choose from several membership levels that provide you with the perfect amount of time for your sailing lifestyle. Enjoy a short day, a long weekend or even bundle your time for weeklong trip on the water. Your membership term is annual and the monthly fee includes, maintenance, insurance, and marina fees. Members simply schedule their time and go boating.

Over 35 Locations to Sail

Join one boat and get access to over 120 worldwide with SailTime Plus. With 28 locations in North America and 7 in Australia, members have plenty of options to sail some of the best cruising grounds around the world. Places like San Francisco, Lake Michigan, Chesapeake Bay and Sydney Harbor are just some examples of the great locations SailTime Plus is available. SailTime is a franchise, therefore members can expect the same outstanding experience and similar model boats at every location they visit.

American Sailing Association Sail Training

SailTime has the largest network of ASA training schools in North America! Whether you're new to sailing or just need to brush up on a few skills, our award-winning training centers and instructors are ready to help. All members are required to reach a certain standard of expertise before piloting a boat on their own.
